DRY WHITE WINE / ΟΙΝΟΣ ΛΕΥΚΟΣ ΞΗΠΟΣ

Hatziemmanouil – Since 1929
From the plethora of Assyrtiko, one of the most important indigenous grape varieties, a wine with bright colour, aromatic notes of fruit, wildflower and vanilla, a generous mouth and refreshing finish. Chilled at 8-10°C, it is an ideal accompaniment to poultry, fish and shellfish. The harvest of 2019 gave us a limited number of bottles.
